MVY Shows Off Trucks

Martha's Vineyard, MA: The Martha's Vineyard Airport participated in Vineyard Montessori School's 5th "Truckin' MV" on Saturday. The event took place in the parking lot of the Martha's Vineyard High School and drew hundreds of kids and their families.

MVY showed off an aircraft rescue firefighting (ARFF) truck and a runway sweeper. In addition to our trucks kids got to see, touch, and climb on other fire trucks, concrete pumpers, police cars, backhoes, loaders, and a variety of other big equipment.

The annual event is a fundraiser for Vineyard Montessori with proceeds going towards scholarships, supplies, and educational activities.

Martha's Vineyard Airport is managed by the Martha's Vineyard Airport Commission. It offers seasonal airline service by American Airlines, Delta Air Lines, and JetBlue and year 'round service by Cape Air in addition to robust general aviation facilities.
