### **LAZ Parking has Taken Over Parking Operations at Martha's Vineyard Airport**

**May 18, 2018 / Hartford/CT** - [LAZ Parking](#) is pleased to announce that [Martha's Vineyard Airport](#) (MVY) has been added to its portfolio and began operations this spring. On June 1<sup>st</sup> they will unveil a new parking system that has been installed with features that include a colorful digital display, barcode ticket readers and the ability to pay for parking using a credit card. Parkers will also have the ability to pay for parking online or using a mobile phone.

The first three hours of parking remain free year-round with seasonal daily rates from \$15-\$20. An island discount rate is available for year-round residents for a \$10 daily rate. If you are visiting the restaurant you are likely parked for less than three hours, simply pull a ticket upon entry, scan your barcode ticket at the exit, the parking rate will read \$0 (if less than 3 hours) and the gate will open.

LAZ Parking will provide seasonal staff on-site during peak season to help facilitate traffic and help educate those that are unfamiliar with the new parking system. If an attendant is not available, there is a "help" button on the machine that connects you to the LAZ Customer Care Center, which is available 24/7.

For more information, to pay for parking online or to apply for an annual parking permit, please visit the LAZ Parking website (<https://www.lazparking.com/local/vineyard-haven-ma/martha-vineyard-airport>)
